Persons with Benchmark Disability in the category of Locomotor disability (Both Arm Affected-BA) can submit their application for exemption from Computer Proficiency Test along with Disability Certificate while other Persons with benchmark disability as defined in Section 2(r) of the Rights of Persons with Disabilities Act, 2016 can submit their application for exemption along with Disability Certificate as well as Medical Certificate to the effect that the person concerned has physical limitation to type at the requisite speed i.e. 30 W.P.M., from the Chief Medical Officer/Civil Surgeon/Medical Superintendent of a Government healthcare institution and Persons with disability as defined in Section 2(s) of the Rights of Persons with Disabilities Act, 2016 can submit their application for exemption from Computer Proficiency Test along with Medical Certificate to the effect that the person concerned has physical limitation to type at the requisite speed i.e. 30 W.P.M., from the Chief Medical Officer/Civil Surgeon/Medical Superintendent of a Government healthcare institution, within 15 days from declaration of result of Written Examination (Computer Based Test).

The candidates shall be exempted from Computer Proficiency Test by the Competent Authority. The decision of the Competent Authority shall be final and binding upon the candidate.

The number of candidates (Category wise) as decided by the High Court, who qualify both the tests i.e. written examination (Computer Based Test) as well as Computer Proficiency Test (CPT), will be called for checking of original testimonials/interaction.

Thereafter, Select List of the qualified candidates will be prepared strictly on the basis of merit in online written examination i.e. Computer Based Test (CBT). Name of candidate(s) higher in merit [i.e. those who secured higher marks in Written Examination (Computer Based Test)] would be recommended for appointment as per the number of vacancies to be filled. In case, if two or more candidates have obtained same marks, then the candidate elder in age among the same scorers will be kept higher in merit. Still further, in case, any such even scoring candidates are having the same date of birth, then they be placed alphabetically (A-Z) in the concerned merit list.

ANSWER KEY AND SEEKING OF OBJECTIONS/CROSS OBJECTIONS

After the completion of the written examination (Computer Based Test), provisional Answer Key shall be provided to the candidates on the official website of S.S.S.C. i.e. www.sssc.gov.in. Candidates will be given opportunity to raise objections to the Answer Key. A nominal non-refundable fee of **₹25/-per** objection will be charged. Candidates will also be given opportunity to file cross-objection against the proposed changes in the provisional answer key.

Candidate must mention the proposed correct answer and objection/cross-objection must be supported by appropriate reasons and documentary proof thereof, failing which such objection/cross-objection will not be considered. Objections/cross-objections received after stipulated time period and those filed on any other medium other than the prescribed link will not be considered.

NORMALIZATION OF MARKS

If written examination (Computer Based Test) is held in multiple shifts, normalization of scores of objective portion shall be carried out using the below mentioned Standard Deviation Method (calculation of marks will be up to 5 decimals places):-

Normalization marks of j^{th} candidate in i^{th} session $\hat{M}_{ij}$ is given by:

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^{gm}$$

M_{ij} = is the actual marks obtained by the j^{th} candidate in the i^{th} Session.

$\bar{M}_t^g$ = is the average marks of the top 0.1% of the candidates considering all sessions.

M_q^g = is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions.

$\bar{M}_{ti}$ = is the average marks of the top 0.1% of the candidates in the i^{th} session or marks of topper if session strength is less than 1000.

M_{iq} = is the sum of mean marks and standard deviation of the i^{th} session.

M_q^{gm} = is the sum of mean marks of the candidates in the shift having maximum mean and standard deviation of marks of candidates in the examination considering all shifts.
